### **ATHLETIC DIRECTOR**

From the spectator buses for the away football games we brought in \$197 with five buses. We have not received a bill yet from the bus company. We made around \$100 for the coin fundraiser. It was all given back. Only 19 tickets were sold from the items raffled off from Culvers during the Football games. DECA sold old uniforms for \$3 each at a basketball game. The display cases are almost done. It only cost \$200 to have the alarm moved. Gymnastics got a new training bar from the wish list but now it will cost \$1300 to install. Did not know about this at the time. Missy looking into sending bar back (there will be a restocking fee) and seeing if she can get a used set of bars (no extra installation needed).
